

Wallenpaupack Area School District

Wallenpaupack Area Middle School

Course Title: Fine Arts Grade 7

Length of Course: 22.5 Days - Quarter

District Policies:

Academic Integrity:

Academic integrity is essential to the success of an educational community. Students are responsible for learning and upholding professional standards of research, writing, assessment, and ethics in their areas of study. Written or other work which students submit must be the product of their own efforts and must be consistent with appropriate standards of professional ethics. Academic dishonesty, which includes cheating, plagiarism, multiple submissions and other forms of dishonest or unethical behavior, is prohibited.

Assessment:

The goal of grading is to report student progress and achievement to the parents to strengthen the home-school connection. The grade should accurately reflect the student's performance in mastering the PA Standards and the WASD curriculum.

Attendance:

Regular school attendance is vitally important to academic success. Not only does attendance reinforce and enrich the learning process; it also establishes patterns and attitudes that will carry forward into adult work habits. Regular, consistent attendance is a prerequisite to successful school life. Children should be absent only in cases of illness or emergency.

Special Education:

Our commitment to each student is to ensure a free appropriate public education which begins with the general education setting, with the use of Supplementary Aids and Services. Inclusive education describes the successful education of all students with the appropriate supports and services to participate in and benefit from the general classroom settings and other educational environments.

Course Description: The 7th grade Fine Art curriculum teaches creativity working individually and in groups. Students will learn appropriate processes for working with different types of materials, while emphasizing correct material handling, skill building, and individual creativity.

Pennsylvania State Standards: All WAMS courses are aligned to the PA State Standards and Common Core Standards, where applicable.

Course Objectives:

Students will demonstrate the ability to:

Students will be able to appropriately utilize a vanishing point and related tools.

Students will be able to perform advanced print making tasks.

Students will be able to create a 3-D art project.
