Introduction to Child Care

Block 4

Mrs. Rowe

**Enrichment Week 3**

Directions:

1. Think about your favorite Learning Center that was discussed in class that you observed while the WOW children were in class.
2. State five reasons for the center being your favorite area with supporting facts.
3. Think about the children that you observed in that center. State five reasons why it was or wasn’t the children’s favorite center, with supporting facts for your answers.

**Enrichment Week 4**

1. Take a walk outside your home and think of 5 outside activities that could be incorporated into the WOW program, if we had an outdoor space.
2. Describe each of the 5 activities.
3. Draw and label a diagram of what the outdoor Learning Center space might look like and the equipment you might like to see in the outdoor space.
4. State the objectives of each of the outdoor spaces.
