Family and Consumer Science (Mrs. Capone)

Grades 6 and 7

Week of April 20th

Enrichment Activity

1, 2, 3, Counting Book

Materials needed:

Pencil

Paper

Crayons, colored pencils or markers

Instructions:

Design a counting book for a toddler. Think of an animals, objects for each number, from 1 - 10.

Make it as simple or as elaborate as you want. Have fun creating.

Note: you can have your family get involved with ideas, drawing and coloring.
