Seasons Videos Directions

Go to YouTube.com.

Watch the two videos listed below.

Write down 3-5 facts from each video.

You may then use the information in the videos to help complete the worksheets.

1. Seasons and the Sun: Crash Course for Kids

   https://www.youtube.com/watch?v=b25g4nZTHvM

2. Why is it so hot near the equator?
   Geography for Kids – Educational Videos by Mocomi
