Login to www.StudylIsland.com

Enter the student’s username and password where prompted (these are the same as the student’s username and password for logging-in to Powerschool)

Choose either Mr. Kranick’s or Mr. Hannon’s tab on the menu screen

After logging in, choose Home Activity #1 (3/30-4/3).

5 lessons are included in each week’s activity. Each lesson has information students have learned in 5th, 6th, 7th or 8th grades. Students may read lessons, access the games that go with each lesson and/or take the quizzes that are associated with each lesson. The quiz grades are for the student’s use only; they are not being checked, graded or used in any manner – they may also be ignored and not completed.

This week’s (3/30 – 4/3) activity includes Life Science: 4a, 4b, 4c, 4d and 4f

Next week’s (4/6 – 4/10) activity includes Earth/Space Science: 5a, 5b, 5c, 5d, 5e
