Troop ELA--Block 1:

Reading Response: As you finish reading *The Giver* this week, please respond as follows:

1. Share your response for the last page (chapter 23), questions 1 and 2.
2. Choose one other chapter (between chapters 6-15) and let me know your responses to those questions.

You may either send me a copy of your written answers from the reading guide or type them up in Word and attachment them in an email. Make sure you use a variety of simple, compound, and complex sentence structures.

Grammar: Complete the Parts of Speech Review--to jog your memory of how each part is used in the English language.

Please share your responses with me as an email attachment.
