Miss Skinner’s Science Class Week 1 Activity

1. Match the animal with it’s footprints (tracks)
2. Find the 5 Rainforest Animals and color the picture

If you would like to email a photo of your drawing, I would love to see it. If you have any questions please let me know. bonagusc@wallenpaupack.org

The Cincinnati zoo is doing a Facebook Live animal experience each day at 3pm on Cincinnati Zoo Facebook page. Great way to learn about the animals without leaving your couch.
