Each week do 1 Native American project and 1 Scholastic News. If you would prefer to do 2 projects or 2 Scholastic News articles, that is fine!

1. **Native American Project**

We have spent many weeks learning about many different Native American tribes and cultural areas. Think of something that particularly interested you and create a project. You can draw a picture, build something out of household items, write a report, or do anything creative! Below is the list of cultural areas and tribes we have studied, but you are not limited to these. I have also included some projects we have already done that you may create again in a different way! Be creative and have fun! If you can take a picture and email it to me, I would love to see your work!

**Northwest Coast:** Tribes include Nez Perce, Tlingit, Tsimshian, & Haida.

- We created a *totem pole*.

**Southwest:** Tribes include Navajo, Hopi, & Apache.

- We created a piece of *pottery*.

**Plains:** Tribes include Cheyenne, Sioux, Crow, and Omaha.

- We created a *tipi*.

**Eastern Woodlands:** Remember natives from the Wampanoag tribe were helpful to the pilgrims. Other tribes include Cherokee, Mohawk, Seneca, Mohican, & Cayuga.

2. **Scholastic News**

Find an article or two that you find interesting on [https://classroommagazines.scholastic.com/support/learnathome.html](https://classroommagazines.scholastic.com/support/learnathome.html).

Read the article and discuss it with someone if you are able to.

On the sidebar menu, you can change the reading level or have it read aloud. There are a lot of great videos and activities that correspond with each article. Have fun and explore the site!
