Grade 2 Health

Week of March 30th

Students will brainstorm and try to come up with their “Special Word” and design for their rock. Remember your word is something you can live by. Check out myspecialword.com for help. The design can be anything they choose that can be painted on their rock.

Week of April 6th

Students should create a Healthy Choices Collage. It can be pictures cut out, drawings or writing about at least 8 healthy choices they are making daily.
