Hello WAHS Families,

We will have our final iPad distribution for all sophomores and freshmen students, providing an iPad now for all high school students.

Distribution will occur on Thursday, May 14, 2020. Sophomores can pick up their iPads between 10:00 am and 12:00 pm and freshmen can get their iPads between 12:00 pm and 2:00 pm at Door 7, the District Office, located on far right of the faculty parking lot on the high school complex. Please stay in your vehicle and follow the flow of traffic around the parking lot and into two lanes.

We are implementing a 1:1 model in the high school next year, meaning every high school student will have an iPad to use both at school and at home. We would like all 9th -11th grade students to have an iPad and keep it through the summer and into next school year. Students will use their iPad for classwork through the end of this school year and for enrichment/review opportunities over the summer.

If you are unable to pick up your device on Thursday or have any questions please email Mr. Kane at kaneji@wallenpaupack.org. Any junior or senior that still needs an iPad can come during this time as well.

All students must be accompanied by a parent/guardian or they will not receive their iPad. Students and parents/guardians will have to sign documentation in order to receive their device. Please have your login information with you so we can ensure you can access the device properly. Parents/guardians please bring photo identification with you. iPads are for school use only and will be monitored closely.

Sincerely,

Jim Kane
