

Strengthening Families Program

Informational Session

The Strengthening Families Program is a free 7-week program that will be offered this spring. This program works to strengthen family bonds and give young people the tools they need to combat peer pressure. Every family has strengths and every family wants to become stronger. This program is research based and proven to have positive impacts on families, adolescents, and communities.

Please join us for an informational session for more details regarding the Strengthening Families Program.

When: Tuesday, January 29, 2019 @ 6:00 p.m.

Where: Wallenpaupack South Elementary School

***Dinner will be provided**

***Please bring your children as well. The children will participate in games and activities while the parents learn more about this program.**

Should you have any questions, please contact Jennifer Gatens at (570) 251-3130.
