Business Administrator

Jennie Hildebrand
Board Secretary

Dear Student Athletes,

Welcome to the Wallenpaupack Athletic Page! I encourage each of you to experience athletics in some capacity. Our teams' athletic success will be enhanced because of your participation. In order for you to try-out for any sport, you must have a physical on file in our Athletic Office. If you did not get a physical with our school's physician, please print a copy of the CIPPE form, found on this website. Take it to your family physician to fill out. Return your completed form to the Athletic Office in the high school by the deadline indicated for each season on our webpage.

You are a Wallenpaupack Buckhorn and with that title, come many expectations and responsibilities. Challenge yourself to do your personal best and contribute to your team's accomplishments and your own accomplishments in the classroom. Organize your time so you are successful in both the classroom as well as athletic contests. Display good sportsmanship at all times. Remember that young children look up to you. Communicate with your coaches in a positive manner. Clear communication is important for success. Become familiar with the "Athletic" section of the Parent Student Handbook, so you know the rules of eligibility. Be positive for your attitude makes a big difference in everything you do. Commit yourself whole-heartedly to your team, coaches, school, and community. Be proud of the Wallenpaupack tradition!

During the 2016 – 2017 school year, I would like to provide some different opportunities for you as athletes. I am in the process of developing an athletic council that will work towards primarily four areas: community and school spirit, community service, character and leadership development, and recognition of athletes, both past and present. I encourage you to become a part of this, as the council will work with different school and community groups to improve and enhance your athletic experience as well as others.

I am extremely proud of the success you have had as student-athletes over the past two years and look forward to many more. I encourage you to continue your hard work to achieve more success in the upcoming year.

GO BUCKHORNS!

Sincerely,

Ann Marie Simons
Wallenpaupack Athletic Director
