Free and Reduced Meal Program

- Paper applications are available.
- Parents/guardians can now complete the *NEW* online school meal application. The website for the online school meal application is www.schoolcafe.com or www.compass.state.pa.us. Please be sure to include all school age children (pre-K through 12th grade) on one family application.
- Families are required to complete a new meal application at the beginning of each school year. Once the application is processed, the family will receive a letter indicating student's meal eligibility determination. Previous school year eligibility for free/reduced meal status will expire on October 8, 2019. **Contact information and adult signature are required on the application.**

School Meal Accounts

- The Wallenpaupack Area School District food services uses a computerized cash register system in our school cafeterias. This system gives parents the advantage of depositing money into their student's account. The money can be used for breakfast and/or lunch purchases as well as other food items sold in the cafeteria. This eliminates the hassle of remembering to send money every day and takes the worry out of carrying cash. Upon school registration, students will be issued a student identification number (Student ID). This number links the student to his/her school lunch account. There are several ways to deposit funds into your student's account.
 - Send cash, check or money order in an envelope clearly marked with your student's name and grade. Make checks and/or money orders payable to **Cafeteria Fund**.
- Please note food services is using an online payment system for the 2019-2020 school year; Parent Online at www.schoolcafe.com. Food services strongly recommends this option as it will assist parents in keeping their account up to date. Registration/Access to your student's account is free: however there is a 5% convenience fee for electronic payments. Visit www.schoolcafe.com and follow the instructions to create an account. You will need your student's ID number to register.
- Families are highly encouraged to pre-pay into their account weekly. Periodic account balance notifications will be sent home to those students who have a low or negative balance. It is important to keep your child's meal account up-to-date to ensure a smooth and efficient operation. Please keep in mind parents/guardians are responsible for keeping student accounts up-to-date. Please refer to School District Policy #808.2 to review our meal charging policy.
- Monthly menus are posted on our district webpage at www.wallenpaupack.org.

This institution is an equal opportunity provider.
