PK K 1st 2nd 3rd 4th 5th 6th 7th

Stanley Lambchop is your ordinary, every day, run-of-the-mill ten-year-old: normal mom and dad, normal little brother, normal life. That's just the problem... for Stanley, life is too normal. He wants to travel the

world, do something amazing, something no one's ever seen before. Careful what you wish for, Stanley! One night, the bulletin board on the wall above Stanley's bed comes loose and falls - right on top of Stanley! The next morning, Stanley Lambchop wakes up flat. Not just a little flat...really, REALLY flat! In a whirlwind musical travelogue, Stanley - the ultimate exchange student - scours the globe for a solution to his unusual problem. He's stamped, posted and cancelled from Hollywood to France to Honolulu and beyond. And whether he's thwarting a robbery at the Louvre Museum in Paris, or 'hanging ten' off the coast of Hawaii, Stanley is closing in on his goal of being a three-dimensional boy once more.
