Dear Parents and Guardians,

I hope you are well. As November approaches, so does the time for parent-teacher conferences. Because our COVID transmission rates in Wayne and Pike counties continue to be at the highest level, we have decided that our November parent-teacher conferences will be held virtually.

As always, your child’s or children’s building principal will reach out to you with a letter that describes the process for scheduling a conference with teachers you would like to see.

If you have any questions, please reach out to the appropriate building principal. Thank you so much for your patience, for your understanding, and for allowing us to spend our days helping your children learn and grow.

Sincerely,

Keith E. Gunuskey, Superintendent
