

Wallenpaupack Area School District

COURSE: CHILD CARE I

GRADE LEVEL: Tenth, Eleventh

LENGTH OF COURSE: Year Long

TEXT: Working with Young children

PUBLISHER: The Goodheart-Wilcox Company, Inc.

COPYRIGHT: 2012

COURSE DESCRIPTION:

Child Care I is designed to prepare the student for CDA certification and successful family living. The course will help the student acquire the skills and knowledge needed to (1) work with preschool age children, and (2) recognize and understand problems faced by individuals and families in the context of their emerging lives. The student will study how to develop an age appropriate curriculum, the developmental importance of learning centers, research health and safety, nutrition, and research proper guidance techniques. The hand-on World of Wonders Program, a part of our curriculum, will help the student learn practical skills in: caring for children, play and children, preparing developmental activities with teaching aids and supplies, plan and conduct a preschool age curriculum, monitor the safety of children. The course is recommended to all students who are interested in obtaining preschool teaching assistant certification, furthering their education in working with children, and/or will be dealing with children in any capacity throughout their lives.

CURRICULUM WRITING TEAM:

Barbara S. Dyson

DATE OF REVISION:

2013
