

WHY SUPPORT

mini  thon
— FOUR DIAMONDS —
Conquering Childhood Cancer

In the U.S., **more children die from cancer than any other disease.** An estimated 16,000 children will be diagnosed with cancer this year, and approximately **1 in 5 children will not survive.**

Raising **\$23 million** since 1993, Four Diamonds Mini-THON® inspires more than **70,000 students** and **235 schools** to bring hope to families in need and help support cutting-edge research.

Research saves lives. Dollars raised by Mini-THON® drive the discovery of **new and improved treatments and cures** for kids around the world.

Four Diamonds supports more than 80 pediatric cancer research professionals who are learning more about cancer and how **treatments can be more effective** while **minimizing long-term side effects.**

When you donate to Mini-THON®, you support the **powerful movement of kids helping kids** through philanthropy and community service.
