School Year 2012-2013

Dear Parent/Guardian:

The Transportation Department of the Wallenpaupack Area School District would like to welcome your child to kindergarten. In addition to the classroom, one of the most important experiences your child will have is the privilege of riding a school bus.

Children are expected to be at the bus stop five minutes before pick-up time. In order to relieve any apprehension on the trip home, please be at the bus stop to meet your child promptly at the scheduled arrival time

A copy of the Wallenpaupack Area School District School Bus Regulations is also attached. Please review it thoroughly with your child. Also included is a snow dismissal schedule, which you should keep for the winter months.

Children are assigned on a bus to and from home. Requests for day care changes are to be directed to the Transportation Department where they will be reviewed for approval/denial **prior to the beginning of the school year. Once your child's schedule has been established it will be permanent for the school year.**

Changes will be made only for emergency situations. Any requests for change during the school year must be directed to Mrs. Nancy Dean-Corino, 226-4557 ex. 3078 at the North Primary or Mrs. Dianne Luberto, 226-4557 ext. 3086 at the South Elementary at which time they will be reviewed.

If you move, change address or phone number, please contact Mrs. Janet Ciszak, 226-4557 ext. 3093 at the North Primary or Mrs. Venice Anns, 226-4557 ex. 3130 at South Elementary immediately so your child's transportation may be efficiently corrected.

The main concern of the Transportation Department is your child's safety and stability on the school bus ride. If you have any questions please call me at 226-4557 ext. 3006.

Sincerely,

Candace Watson
Transportation Coordinator
