January 19, 2021

Dear Parents,

The Athletic Department is very pleased to be starting our winter sports season and is excited to watch our student-athletes participate in their chosen sports. The procedures and protocols that we have in place, may not be the most popular or convenient, but are necessary to allow our seasons to continue.

I am requesting your assistance to ensure that we do what we can to allow our students to compete. Due to the present COVID-19 restrictions, we will allow a limited number of spectators at events that are held in our high school gymnasium. Only people with passes will be able to attend those events. Any contests that are held in the North Primary or South Elementary gyms will not have any spectators. All events held in the high school will be live-streamed and may be accessed using the following link: <https://www.ustream.tv/channel/dJjxhSnSVZ2>. Competitions in the South Elementary or the North Primary School will be viewed using a different link, <https://www.ustream.tv/channel/e4q4xbuc5MP>.

In the event that you have a pass to attend a contest, I ask that you hand the pass to the person at the door, and wear masks at all times, as we are following the most recent mask order from Governor Wolf. I also ask that you sit in the bleachers where there are "dots" indicating social-distancing. People living in the same house may sit together, but all others should be socially distanced.

Although this school year has been a challenging one, our student-athletes have been tremendous. They have done everything that has been asked of them and I am very proud of them. Please, help me and the Athletic Department as we strive to make this season a successful one.

GO BUCKHORNS!

Sincerely,

Ann Marie Simons  
Wallenpaupack Area Athletic Director
