August 2016

Welcome to the 2016-2017 school year! I am looking forward to my second year as an assistant principal at Wallenpaupack Area High School. During this school year I plan to strengthen my working relationship with all facets of our school community. The ongoing partnership between all school district stakeholders is crucial in order to positively impact student achievement and prepare children for their future endeavors.

Furthermore, I hope to see all students gain a well-rounded educational experience by participating in at least one of the various extra-curricular activities that we offer at the high school. Our highly successful athletic, academic and non-academic clubs and activities have enabled students to gain local, state and national recognition over the years, providing them with unique opportunities to travel our country, and earn scholarships for future studies. The full list of available activities can be found on our school's website.

I continue to encourage parents or guardians to take an active role in their child's educational experience by contacting the school at any time to have questions or concerns addressed.

Lastly, all incoming freshmen and new students should attend an orientation on Friday, September 2, 2016 at 12:00 p.m. This will give you an opportunity to become acclimated to the building by finding your locker, walking your schedule, and having any of your questions answered.

Best wishes for a successful school year!

Sincerely,

Christopher Caruso
Assistant Principal
