August 2019

Welcome back for the start of the 2019-2020 school year. I am extremely excited to begin my new role as one of Wallenpaupack Area High School's assistant principals.

I welcome and appreciate the opportunity to work together to provide our students with positive academic experiences. The staff at Wallenpaupack Area High School remains committed to ensuring that all students experience academic success. As a school community, we maintain high levels of expectations for students while recognizing and addressing the individuality and uniqueness of each student.

I invite you to join us in creating an environment that will promote respect, personal responsibility, positive character, academic achievement, and overall success. Our staff will work diligently to provide clear and continuous communication between the school and the home so families can stay informed and involved in their students' educational journey.

In addition to academics, there are a variety of athletic teams and after school activities that are offered at WAHS. We encourage each student to get involved in a sport or club to enhance their experience at the high school.

Good luck during this upcoming school year!

Sincerely,

Travis Ey

Assistant Principal
