August 2016

Welcome to Wallenpaupack Area High School for the 2016-2017 school year! It is my distinct pleasure to begin the year as the new assistant principal.

For the past thirteen years I have had several different roles within the district. I have been fortunate enough to serve as both a third and fourth grade teacher, Wallenpaupack North Intermediate School Disciplinarian, Wallenpaupack Area High School Disciplinarian, junior high basketball coach, and junior varsity basketball coach. My experiences have given me tremendous learning opportunities at the elementary, middle, and secondary levels, as well as a chance to build meaningful relationships with a large group of students, parents, and colleagues.

As the new high school assistant principal I am excited to help foster positive relationships with all stakeholders within the educational community. As a school community, we must all work together in order to prepare our students with the skills necessary to be productive, contributing members of society. Students, parents, teachers, and administrators must work together in order to prepare for the challenges of the twenty-first century. Communication is an essential component to help our students meet their full potential. Please understand that as assistant principal, I will always be available to discuss your concerns and answer your questions. We will work together tirelessly to help our students achieve academic success, social success, and success while participating in our athletic and co-curricular programs.

Lastly, I would suggest that all students take advantage of at least one extra-curricular activity. Wallenpaupack Area High School offers various clubs, teams, and activities that are offered to keep as many students as possible involved in all aspects of the school experience.

I wish everyone success in 2016-2017!

Sincerely,

Kevin E. Kromko  
Assistant Principal
