August 2017

I am happy to welcome you to the 2017-2018 school year! I have been a part of the Wallenpaupack Area School District for many years as a Special Education Teacher. I also had the opportunity to serve as the Disciplinarian at the North Intermediate School. I am now honored to be joining the Wallenpaupack Area High School administrative team as an Assistant Principal.

I began in education 21 years ago. Prior to coming to Wallenpaupack, I taught Emotional and Learning Support at the middle and high school level and was Dean of Students at the secondary level in Maryland. I feel my previous experiences have prepared me well for this new challenge. As an educator and instructional leader, I believe in approaching all situations with a student-centered, team approach. Doing what is best for students is critically important, and this enables them to grow and excel in all areas.

Over the past few weeks, I have had the opportunity to engage with students, parents, staff and community members. I am dedicated to promoting a positive learning environment for all students and am excited to collaborate with all stakeholders to ensure an environment that promotes the focus on learning for every student. I recognize that a strong partnership with these important stakeholders will make a great difference in your child's education.

Communication between home and school is an essential component for your child's success. As Assistant Principal I am always willing and available to discuss with you any ideas, concerns or questions. Together we can positively impact student achievement and prepare children for their future endeavors.

Best wishes for a positive and successful school year!

Sincerely,

Delia Peppiatt
Assistant Principal
