Wallenpaupack North Primary Community,

I would like to welcome you all to the Wallenpaupack Area North Primary School for the 2020/2021 school year. The challenge has been laid before us in light of the COVID-19 Pandemic. Our school and our district remain committed to providing the best educational experience possible for your children, regardless of what option you have chosen for your son/daughter.

As we approach the new school year I want you to know that I look forward to working with the all of you. I look forward to meeting each child as they enter the building and look forward to watching them grow from their experience here at our school. Exciting things are happening with our curriculum. We utilize an outstanding reading program, ARC (American Reading Company), and are excited to be working with OGAP in mathematics. The opportunities here are bountiful and allow our children to grow both socially and academically. I also believe that for children to be successful there needs to be a strong connection between home and school. For that reason, please don't hesitate to contact me with any questions or concerns that you may have.

I wish all of you the best in 2020/2021! Let's make this the best year yet! Go Bucks!

Sincerely,

Kevin Kromko
North Primary School Principal
